- Traveling

Career Objective

MERN Stack Developer with hands-on experience in building scalable full-stack applications using MongoDB, Express.js, React.js, Node.js, and Next.js. Passionate about writing clean, efficient code and delivering high-quality web solutions.

Experience & Projects

MERN Stack Developer — Lembits, Ahmedabad

March 2026 – Present

- Developing scalable full-stack web applications using MongoDB, Express.js, React.js, and Node.js.
- Designing and managing RESTful APIs and backend server architecture.
- Building dynamic and SEO-friendly applications using Next.js.
- Implementing authentication, authorization, and database optimization.
- Handling deployment, debugging, and performance optimization.
- Collaborating with the team using Git/GitHub while following clean coding practices.

MERN Stack Developer Intern — Lembits, Ahmedabad

December 2025 – February 2026 (3 Months)

- Contributed to real-time MERN stack projects with backend integration.
- Developed and tested REST APIs using Node.js & Express.js.
- Worked on server-side logic and MongoDB database management.
- Learned and implemented Next.js concepts (Routing, SSR, API routes).
- Assisted in deployment and bug fixing.

MERN Stack Developer Intern — ExcelPTP, Ahmedabad

June 2025 – November 2025 (6 Months)

- Built responsive user interfaces using React.js, HTML, CSS, and Bootstrap.
- Developed backend APIs and integrated them with frontend.
- Performed CRUD operations and database schema design in MongoDB.
- Worked on authentication modules and form validations.
- Used Git/GitHub for version control and team collaboration.

Projects

Real Pizza – Food Ordering Website

- Developed a dynamic food-ordering platform using PHP & MySQL with database integration. Collaborated in a team to deliver the project.
- Code Repository: [dabhi-NB/Real-Pizza](#)

Live Thoughts – Thoughts Sharing Website

- Created a platform for sharing thoughts using PHP with user-friendly interface and backend support.
- Code Repository: [dabhi-NB/Lives_Thoughts](#)
